

The Entrepreneur's Hub

Come Engage, Learn and Grow

In the course of our service to SMEs as a financial institution, Credit Bank realised there was need to introduce a forum for the business clientele to learn from experts, other experienced businesses and visionary leaders as well as from each other.

Through the Entrepreneur's Hub, we run regular activities for members with the aim of bridging the knowledge gap that exists between the emerging SMEs and the already established industry leaders. What's more, the hub is open to both Credit Bank customers and non-customers.

Bridging The Gap

Any Entrepreneurs Hub member can also attend the KIM Monthly Management Forums which bring together 150-200 members on average to interact with a panel of speakers on topical issues in management, leadership and other relevant social themes. These forums are held on a monthly basis across the country.

To attend any of the KIM Management Monthly Forums in your region, please book your slot through Credit Bank on the email mcc@creditbank.co.ke or through your Relationship / Branch Manager.
